

1           Now, Mr. Chairman, their idea of non-partisan  
2 selection of judges is a lot different than what we are  
3 talking about here in this Convention. In our Conven-  
4 tion there is only one way, or in our proposals before  
5 us there is only one way to become a judge, and that is  
6 through this four-man or five-man or eleven-man committee,  
7 and no other way; whereas in Philadelphia and in Pennsyl-  
8 vania there is a lot different system. Their idea,  
9 proposed by Governor Scranton and put into effect by Governor  
10 Scranton would be that the commission would do the original  
11 screening. After that, this list would be submitted to the  
12 Judiciary Committee of the Bar Association, and what is even  
13 more important is that the Governor reserved unto himself  
14 the right to request additional panels. .

15           Obviously the system is tremendously different  
16 than that being proposed within the majority committee  
17 report.

18           THE CHAIRMAN: Delegate Rybczynski, your time  
19 is up.

20           DELEGATE RYBCZYNSKI: I would strongly urge the  
21 adoption of this amendment.
